

### For Immediate Release

### **Faisal Saeed, MD, has been Inducted into the Prestigious Marquis Who's Who Biographical Registry**

*Dr. Saeed is recognized for his expertise as a pulmonologist*

DENTON, TX, September 14, 2022, Faisal Saeed, MD, has been included in Marquis Who's Who. As in all Marquis Who's Who biographical volumes, individuals profiled are selected on the basis of the current reference value. Factors such as position, noteworthy accomplishments, visibility, and prominence in a field are all taken into account during the selection process.

An expert in pulmonology and critical care medicine, Dr. Saeed has worked to provide compassionate care to his patients for several years. To prepare for his medical career, he earned a Faculty of Science degree at one of the most prestigious institutes in Pakistan, Government College University in Lahore, Pakistan, in 1999 and a Bachelor of Medicine, Bachelor of Surgery from Allama Iqbal Medical College in Lahore in 2006. After moving to the United States, he underwent an internal medicine residency program at Harlem Hospital Center of Columbia University in 2012, after which he completed a fellowship in pulmonary medicine at Southern Illinois University, Springfield, IL, and Critical Care Medicine at Mercy Hospital of Saint Louis University in St. Louis, MO in 2018. Well-qualified in his field, Dr. Saeed attained certification in internal medicine, critical care medicine, and pulmonary medicine. He also holds medical licenses in the states of Texas, Missouri, Illinois, and Wisconsin. He achieved several awards and honors during his medical education and training.

While pursuing his academic accomplishments, Dr. Saeed worked as a hospitalist for the Marshfield Clinic Health System in Marshfield, WI starting in 2012 and for Springfield Clinic, Springfield IL in 2014. After completing his fellowship programs, he became a pulmonary and critical care physician for HSHS St. John's Hospital, Springfield, IL, and Flagship hospital for HSHS in IL in 2018. Following this position, he embarked upon his present role with Envision Healthcare in 2020. He worked as an intensive care specialist in the Medical City Health system in DFW. In 2022, he decided to open his own pulmonary and sleep medicine practice as Lone Star Pulmonary and Sleep Specialists in Denton, TX. In this capacity, he works at nearby hospitals and pulmonary and sleep clinics, performing any necessary procedures or treatments.

As part of his dedication to his field, Dr. Saeed maintains his affiliation with such organizations as the American College of Chest Physicians, the American Thoracic Society, the Society of Critical Care Medicine, and All Pakistani Physicians of North America. Looking toward the future, he plans to continue growing his practice and offer more services through his clinic. Dr. Saeed intends to ensure that his patients do not have to seek pulmonary and sleep treatments elsewhere, allowing him to help them recover from common issues like allergies, COPD and fungal infections and more complex issues like interstitial lung disease, thoracic malignancy and sarcoidosis.
